

EDDIE BAUER® OUTDOOR ASSORTMENT

The Eddie Bauer name has long been a symbol of quality and innovative design for the outdoor lifestyle, and this line of replacement cushions, pillows and drapes is no exception. We combine quality outdoor fabric and fill materials with performance-enhancing construction features, making them the superior choice for updating the look of any outdoor space.

FASHIONABLE AND FUNCTIONAL

- A wide variety of fabrics by Sunbrella®—the most well-known name in outdoor textiles—ensures unparalleled performance, plus colors and patterns to complement any patio, porch or yard.
- Our fabric casings are sewn with an increased stitches-per-inch count and serged interior edges, resulting in stronger seams and a truly refined product, both inside and out.
- A core of polyurethane foam provides superior comfort, support, and durability—well beyond that of the bonded polyester fill found in most replacement cushions.
- A polyester fiber layer encases the foam core to provide even more comfort.
- The fill material is completely sealed in a water-repellent covering with a UV additive for superior outdoor performance, rain or shine.
- Zippered openings on cushions and pillows allow for quick removal of the fill, making it easy to clean the casings.
